## BEERS

### Heineken, 5.0% NETHERLANDS

*A classic European, pale Lager that has become the world's favourite premium Lager. Brewed to an original recipe dating back to the 19th Century.*

### Birra Moretti, 4.6% Italy

*Brewed in the northern Italian region of Friuli since 1859 Moretti combines the accrued knowledge of 5 successive family generations and the brewing craftsmanship of the neighbouring Germans, Czechs and Viennese with Italian elan to produce a uniquely Italian beer of substantial quality.*

### Tiger, 5.0% Singapore

*This award winning beer's smoothness and flavour is the result of an almost fanatical dedication to quality control to ensure that only the very finest malted barley, yeast and hops are used in the brewing process.*

### Modelo Especial, 4.4% Mexico

*A refreshing pilsner-type beer introduced to the world in 1966 and still gathering devotees. This is a classic Mexican style; light malt and hop flavours with a touch of sweetness – very refreshing.*

### Negra Modelo, 5.3% Mexico

*A dark, 'Vienna' lager, named after the three-step brewing process using toasted malts that originated in that city. An impressive combination of toasted malts and hops, sweetness and balancing bitterness, and all managed within a light to medium-weight body.*

### Cobra Alcohol Free, India

*We still haven't found a better tasting non alcoholic beer, many european beers contain up to 0.5% alcohol but this one is completely alcohol-free and astonishingly good!*
